

What's changed?

We've changed the way our membership works so valued RAA customers like you are rewarded with membership levels that reflect the amount of time you have held a qualifying product with RAA^{*}.

For over 110 years we've strived to put our members first. Today we continue this tradition by giving more back to members. We've introduced a new membership discount structure[^] giving qualifying members discounts on Road Service and Security Monitoring products, as well as simplifying the existing member discounts on Insurance products. Your new membership level, together with your product holdings, is used to determine your discounts.

We've also introduced a member statement with your renewal so you can see your discounts and benefits at a glance.

"I've had Home & Contents Insurance with RAA for 13 years but am only a Bronze member as I've only had Road Service for 7 years. With this change not only do I jump up to a Silver membership level, I now get \$30 off my Road Service and \$60 off my Home & Contents Insurance per year with the new membership discounts, thanks RAA!"

Mrs E Redwin, Adelaide

*Qualifying products include Road Service, Insurance and Security Monitoring.

[^]You must hold at least two product groups (e.g. Road Service and Insurance) before any membership discounts are applied. Product groups are Road Service, Insurance and Security Monitoring. You do not qualify for the discount if you hold multiple policies within the one product group.
